Furniture Discounts!

Discounts Applied on Sets

We are typically very well-stocked with quality, gently-used furniture at the store, and pleased to offer a 10% discount on pieces from a matching set (such as a sofa and matching love seat). Multiple pieces (2 or more, valued at \$24.99 each or more) can also be discounted 10%.

We hope you can take advantage of these quantity discounts with your furniture purchases. Reasonably-priced delivery service also available.

Consider Volunteering at Boomerangs!

Bring a Friend and Volunteer Together!

Since our re-opening on January 17, customer traffic and donations have been extremely strong, and we could use your help on our volunteer team! Help is needed with sorting, tagging, pricing, cleaning, and the like, during all our open hours, especially in the afternoons. Please inquire at the store to fill out a volunteer application!
